

ORAL IMPLANTOLOGY TRAINING ON REAL PATIENTS

# DIPLOMA in ORAL IMPLANTOLOGY

DELHI

MARCH  
2019

**The Implant Academy** Diploma Course is designed exclusively for fresh graduates & practising dentists who are new in the implantology field.

At the academy, Implantologists of International repute give a personalized training, and equip the participant with all the essential skills needed to place implants in numerous clinical situations.

As the pioneer of 100% Practical Oral Implantology Training in India, we help you learn numerous cases of Implant Dentistry on Live Patients.
